

**REMARKS**

The foregoing changes address the Section 112 rejection first made in the Examiner's Answer. Applicant believes that the amendments are fully responsive to the new Section 112 rejection. If the amendments do not also overcome the rejection of the 35 U.S.C. 103 then applicant requests that the appeal be reinstated after the amendments are entered.

Respectfully submitted,

Dated: December 5, 2005

A handwritten signature in black ink, appearing to read "S. Salai", written over a horizontal line.
